To Whom It May Concern:

It is with the utmost pleasure that I recommend Miss Caitlin Genord for a position with your school. As Miss Genord's supervising teacher, I observed her exemplary talents and knowledge while she successfully completed her student teaching assignment here at Pike High School. Miss Genord spent approximately eight weeks at Pike where she really refined her skills and prepared to supervise her own classroom with patience, organization and phenomenal teaching strategies.

Miss Genord taught four sections of English 10 College Prep and two sections of Honors English 10 Pre AP/IB. During this time, Miss Genord developed and implemented new and exciting lessons for the already developed units and curriculum that were given to her. Her ideas were fresh and interesting and really helped students of all learning types achieve success. She quickly established a warm rapport with all of her classes and encouraged students to ask questions and seek additional assistance. Miss Genord was always prepared for the school day and maintained thorough organization. She provided the students with ample and timely feedback on all assessments. Throughout her student teaching, her ability to manage the classroom and all of the duties and obligations that are required from a teacher were mastered.

Miss Caitlin Genord has the capability to become a very valuable part of any school fortunate enough to have her. Without hesitation, I strongly recommend Miss Genord as an educator for your school, and I believe she will be an incredible asset for any position you have available.

Sincerely,

Farrah R. Weiss  
English 10 and Honors English 10 Pre AP/IB  
Pike High School
